Privacy Policy

At Turf Track, we value your trust and are committed to protecting your personal information. This Privacy Policy outlines how we collect, use, and safeguard your data.

Last updated: August 22, 2026

1. Information We Collect

We collect necessary information to provide seamless booking services between players and turf businesses:

- **Account Information:** Your full name, email address, phone number, and user role.
- **Booking Records:** Reserved slots, venue choices, booking dates, payment statuses, and transaction history.
- **Device & Usage Data:** IP addresses, browser/device specifications, and app interaction logs to optimize platform performance.

2. Information Sharing with Turf Venues

To fulfill slot reservations, Turf Track shares relevant booking details with the specific turf business where you reserve a slot:

- **Player Verification:** Your name and phone number are visible to venue management to verify entry at the ground.

- **Direct Financial Settlement:** In cases of venue-approved refunds, your contact information allows turf managers to disburse funds directly via cash or mobile transfer.
- We **never sell** your personal data to third-party advertisers.

3. SMS & In-App Notifications

- We use your registered phone number to send automated transactional updates, including booking confirmations, slot cancellation updates, and refund status notifications (e.g., Pending, Approved, Refunded).
- You can manage your notification preferences within your app account settings.

4. Data Protection & Security

We employ industry-standard security controls to keep your data safe. All user credentials and database communication are encrypted in transit and at rest. Access to backend administration tools is restricted strictly to authorized platform personnel.

5. User Rights & Account Deletion

- **Access & Update:** You can review and update your profile information at any time within your account dashboard.
- **Account Removal:** You may request complete deletion of your account and personal history by reaching out to our privacy support team.

6. Privacy Enquiries
